## CONGRATULATIONS!

**Congratulations on your official selection to the National Middle School Combine, part of 'America's Biggest Week in Football' featuring the U.S. Army Bowl and the TAKIS National Signing Day.** From December 15-21, 2022, the nation's top youth and prep football players will be featured in showcase and championship events that will bring the best to Frisco, Texas, home of the Dallas Cowboys, for one incredible week of football.

For the past few months, our regional scouts have been identifying top athletes from 6<sup>th</sup> grade to 11<sup>th</sup> grade throughout the country through combines, 7v7 events, and game film review. We are excited to select and invite you to this special event. For three days, you will have an opportunity to test, compete and showcase your football ability and skill on the nation's biggest stage.

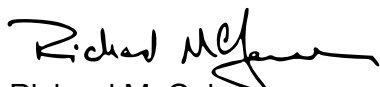

Legendary college coach Noel Mazzone (UCLA, Texas A&M, Arizona) and Stan Holmes, along with former college and NFL coaches, will lead the on-field activities and athlete evaluations. All athlete data and video will be provided to Collegiate Sports Data for inclusion in their recruiting database. The Bally Sports Network, our national media partner, owner of 21 regional sports networks and our National Signing Day and National Rankings Show, will report and follow the exciting on-field action.

In creating this event, as a former college wide-receiver and creator of the U.S. Army All-American Bowl more than 20 years ago, Rich McGuinness' passion was to create a world-class football platform for the next generation of playmakers who could:

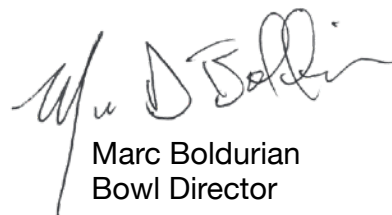

1. Better Understand Their Current Football Ability;
2. Compare Their Ability to the Nation's Best at His Position/Grade, and;
3. Close the Gap in Areas of Improvement and Be Inspired to Fulfill Their Football Journey/Destiny.
